Embrace a 'Radically Candid' Workplace: Ocean County Library Virtual Author Talk with Kim Scott

TOMS RIVER – Why is feedback between a supervisor and employee often strained? Is there a simple approach? [Kim Scott](#) will discuss straightforward strategies contained in her best-seller [Radical Candor: Be a Kick-Ass Boss Without Losing Your Humanity](#) during her Ocean County Library Virtual Author Talk, 2 PM Wednesday, February 28.

[Radical Candor](#) and her 2021 book [Just Work](#) are available at the Ocean County Library. Kim's novels include *Virtual Love*, *The Househusband* and *The Measurement Problem*.

The California-based entrepreneur and writer will explain her Radical Candor approach to feedback that aims to help managers and workers cultivate an atmosphere of compassionate candor, build a cohesive team, and achieve results through collaboration.

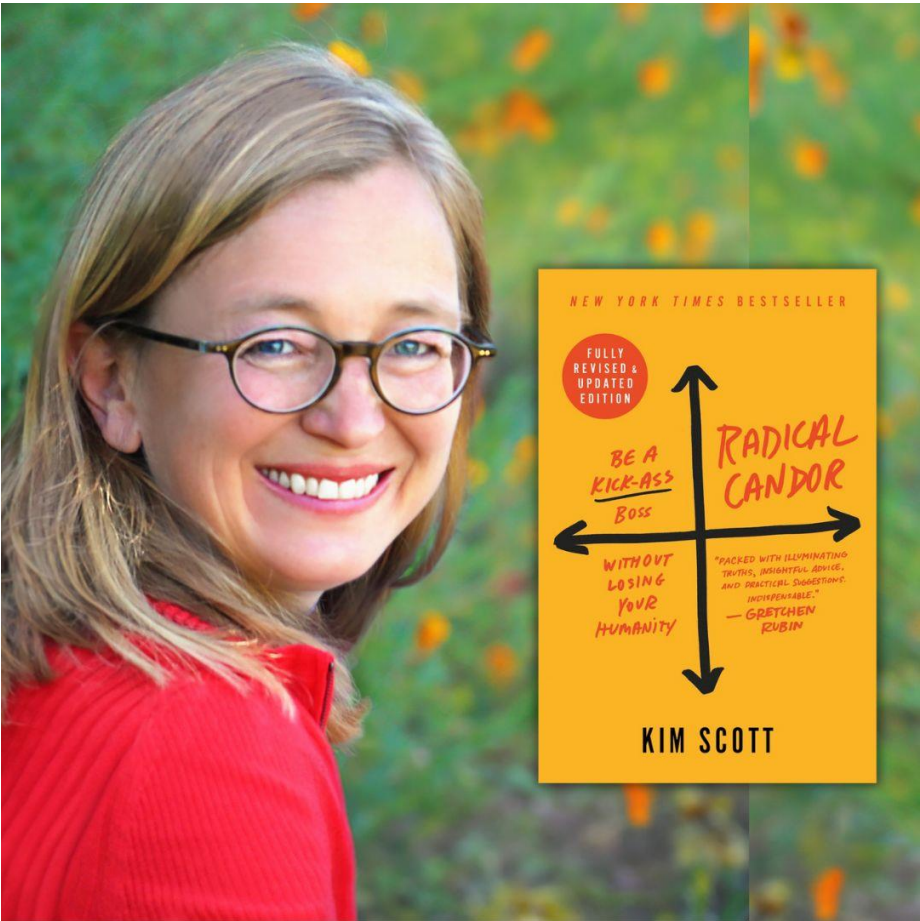

She'll provide practical tips for soliciting criticism, issuing critiques, and gauging the effect of job-related dialogue. She'll suggest ways to avoid couching criticisms in terms that suggest bias, prejudice, and bullying.

Prior to becoming a *New York Times* best-selling author, Kim was a CEO coach for digital firms including Twitter and Dropbox, worked on AdSense, DoubleClick and YouTube teams for Google, and had a seat on the faculty of Apple University. Her [Radical Candor](#) LLC firm and [Radical Respect](#) workshops share the goal of workplace harmony.
